S.NO.	ITEM	DECISIONS
	Agenda	One point Agenda (SANA Participation - Babarlo Protest)
1	Cash distribution Proposal	While the EC discussed distributing cash directly, the unanimous decision was made not to do so under any circumstances. Support will continue to be provided solely in-kind through the established camp.
2	Camp establishment at Protest	After thorough discussion, the EC unanimously decided to set up a support camp at the protest site. The camp will provide essential supplies including water, juice, basic first aid, biscuits, cold drinks, and other items based on volunteer feedback. It will remain operational throughout the protest, contingent on available funds.
3	Finance Disbursement	The EC has tasked the SANA Finance Secretary with managing project finances and operations. The support project will continue until either the protest concludes, or the allocated funds are exhausted. If required to continue support, efforts may be made to collect additional funds via the Fundraising committee.
4	Vendor Invoice Settlement	<p>The Finance Secretary noted challenges in processing payments, citing that some vendors are unable to accept direct transfers to business accounts from the USA.</p> <p>The Executive Committee unanimously authorized the SANA President to intervene and take necessary actions to resolve vendor payment issues.</p>
