S.NO.	ITEM	DECISIONS
1	Executive Council Resolution: SANA Communication Channels & Oversight	The Executive Council has unanimously resolved that the Information Secretary will serve as the administrator responsible for overseeing SANA's communication channels along with Vice President (USA) as both are not participating in the upcoming elections. Additionally, the President and the Vice President (Women) will provide support and oversight, as required, through December 31, 2026. This arrangement is intended to ensure coordinated, consistent, and effective communication during the election period and through the remainder of the current term.
2	Membership Verification and Final List for Election Process	General Secretary briefed the Executive Council on the status of membership verification and the preparation of the final eligible member list to be handed over to Election Commission for the upcoming election. While the initial membership list was submitted to the Election Commission on September 15 as scheduled, student-membership verification remains in progress as elections are being conducted mostly across all chapters. The Information Secretary is continuing this verification work, and the updated final list will be shared with the Election Commission during the first week of October 2026.

3	Student Membership Eligibility and Voting Status	General Secretary clarified the criteria for student membership under the SANA bylaws, as published on the official website. It was emphasized that student membership is strictly limited to individuals between 18 and 24 years of age at the time of initial registration or renewal. Members who exceeded this age threshold at registration or renewal are ineligible to vote as student members. Although these individuals may transition to another membership category, they will remain ineligible to vote in the upcoming election because the August 15 voter eligibility cut-off date has passed. The Executive Council unanimously endorsed this decision.
4	SANA WhatsApp Communication Incident	Executive Council reviewed a reported incident involving the use of abusive language on official WhatsApp communication channels. EC resolved to refer the matter to the Council of Past Presidents (CPP) for further review and guidance. In connection with this matter, the Council formally recorded that: (1) the individuals involved were removed from the relevant communication channels, (2) the resignation of the Adabi Committee Chair was received by the Executive Council, and (3) all related evidence and communications were forwarded to the CPP for review.
5	SANA Convention 2027	Executive Council resolved to invite Ms. Nazia Junejo, Chair of the Local Organizing Committee (LOC), to the upcoming Executive Council meeting to provide a progress report on 2027 SANA Convention planning. The Council further stipulated that no contracts regarding the 2027 Convention will be signed before December 2026. The incoming Executive Council will subsequently review the matter and determine the necessary next steps in line with established procedures.
The General Secretary thanked everyone and the meeting adjourned. Prepared & Shared by: General Secretary
